CEP Notes:

- (FROM THE DISTRICT OFFICE) MATH GOAL - This should be clearly named in Priority 3**
 -We discussed this at both the Principal's Conference and the AP Conference, but we have received a few questions about this. Please include your Math SMART Goal in priority 3 and if you would like to include additional work (i.e. STEM, PBL....) you should integrate that into the action steps for Math and ELA. Project Based Learning is not the goal, but the action step that will help you achieve your goals.
